CITY OF WINLOCK

The City of Winlock is dedicated to providing an open and transparent government and has created a public process that is fair and accessible. Certainty is a hallmark of the development review process. The rights of the individual shall be respected and the greater good shall be served.

Winlock is Class IV code city which operates under a strong Mayor/City Council form of government. The Planning Commission is appointed by the Mayor and has the authority to research and make land use recommendations to the Council. The Commission also serves as a review board for land use applications, making recommendations to the Council for final decision.

CITY OF WINLOCK VISION STATEMENT

Winlock is a community proud of its heritage and historical downtown, with a commitment to sustainable ideas, a stable job market, family housing, an abundance of parks, superior schools and amenities with up to date city services, while maintain an inviting small-town atmosphere.
