NOTICE TO PROSPECTIVE BIDDERS

This Request for Bids (RFB) is provided to you in anticipation that your company would like to submit a bid. We encourage you to review and respond to the request. There are no formal bid documents provided.

The City of Winlock is seeking bids for the UV Upgrade Electrical work at the Winlock Water/Sewer Treatment Plant located at: 1209 SW Mayer Ave., Winlock, WA 98596.

Please contact Rodney Cecil, Water/Sewer Superintendent at 360-520-5589 or winws@cityofwinlock.com for specification details and to schedule a site visit.

Notes: *Equipment will be done in two (2) phases
*Project will not start until late March or early April 2024
*The City will be doing the install and will contract out electrical only

Bids must include the following and will be based on prevailing wages:

- *Detail scope of work
- *Timeline for start and completion dates
- *Total bid cost including tax at 7.8%
- *Terms for payment

To be considered, bids must be received by Wednesday, March 18, 2024, by 4:00 pm.

Submit bids to: City Clerk, City of Winlock
Via mail: PO Box 777, Winlock WA 98596
Via hand delivered: 323 NE First St., Winlock WA 98596
Via email: cityclerk@cityofwinlock.com
