**INTERLOCAL AGREEMENT BETWEEN THE CITY OF WINLOCK

**WHEREAS**, Toledo desires to contract with Winlock for the purpose of Winlock providing law enforcement services to Toledo within its jurisdictional boundaries; and

**WHEREAS**, the cities of Toledo and Winlock are located in close, geographical proximity and have, for a number of years, cooperated in having had their respective law enforcement agencies provide service, each to the other; and

**WHEREAS**, Winlock and Toledo executed a temporary Interlocal Agreement for Law Enforcement Services on September 3, 2024 which expires on December 31, 2024; and

**WHEREAS**, the Mayor and City Council of both Toledo and Winlock have determined after thorough consideration that it is in the best interest of Toledo and Winlock respectively, to enter into an agreement for law enforcement services; and

**NOW, THEREFORE**, in consideration of the mutual benefits to be derived therefrom, and the promises, covenants, performances, and conditions hereinafter set forth, the parties agree as follows:

- 1. PURPOSE.** The purpose of this Agreement is to provide Law Enforcement Services to Toledo by Winlock in exchange for certain consideration set forth herein.
- 2. MUNICIPAL AUTHORITY.** Toledo, by the approval of its City Council and Mayor, hereby confers upon the Winlock Police Department the full power and authority to provide law

enforcement services for the benefit of Toledo. The Winlock Police Department is hereby authorized to carry out the law enforcement services set forth in this Agreement.

**3. SERVICES.** In return for the consideration set forth herein, Winlock will provide within the jurisdictional boundaries of Toledo the following General Services, Investigative Services, Special Law Enforcement Services, Requested Law Enforcement Services, Support Services, Evidence Services, and Additional Services, rendering such services in the same manner as Winlock routinely provides, and with equipment provided by Winlock and Toledo unless otherwise set forth herein:

3.1. *General Services.* Winlock will provide: (i) general law enforcement services routinely provided by Winlock, which includes regularly scheduled patrol services, on a shift basis seven (7) days per week; (ii) response to emergency and non-emergency calls for service; (iii) enforcement of applicable Washington state law and Toledo traffic, civil, and criminal ordinances; (iv) seek to prevent and deter criminal activity; and (v) traffic enforcement.

3.2. *Investigative Services.* Winlock will provide investigative services to the extent Winlock peace officers are trained to include, but not necessarily limited to, investigating crimes such as burglary or auto theft, homicide, drug offenses, special assaults, fraud, missing persons, vice, child abuse, and major collisions.

3.3. *Special Law Enforcement Services.* Winlock shall provide Special Law Enforcement Services which may include, but are not limited to, K-9 patrol, motorcycle patrol, and volunteer crime prevention.

3.4. *Requested Law Enforcement Services.* At the specific written request of the Mayor of Toledo, Winlock may provide Requested Law Enforcement Services. Such Services included but are not limited to, law enforcement service in connection with community events (not to include the Annual Cheese Days Celebration), hazards, public work projects, or permitted activities. Such written request shall be directed to the Winlock Chief of Police. Such Requested Law Enforcement Services shall be provided at the hourly rate of SEVENTY FIVE and 00/100ths DOLLARS (\$75.00) per hour, per officer.

3.5. *Support Services.* Winlock will provide Support Services which include, but are not limited to: (i) forwarding reports to the prosecutor; (ii) appearance at municipal and superior court hearings or trials; and (iii) transportation of arrestees to jail.

3.6. *Evidence Services.* Winlock will process and maintain evidence and property collected as a result of law enforcement services occurring within Toledo. All evidence collected prior to commencement of the Parties Agreement, executed on September 3, 2024, will be the responsibility of Toledo.

3.7. *Additional Services.* Winlock shall provide the following additional services to Toledo:

3.7.1 Advise Toledo officials of situations encountered by patrolling officers that may affect the health, safety and welfare of residents and visitors, including inadequate, missing, or broken traffic or safety signs;

- 3.7.5 All original reports shall be maintained by the Winlock police department and made available upon request in accordance with state law.

3.8. *Change in Scope of Services and Compensation.*

- 3.8.1 This Agreement covers the current corporate limits of Toledo and will support existing Toledo municipal criminal codes, ordinances, and policies. In the event that future annexations, significant population growth or significant changes in State of Washington or Toledo criminal codes substantially impair the ability of Winlock to deliver the services described in Section 3 of this Agreement, or in the event Toledo requests a significant change in the level of service provided therein, the parties agree to meet to negotiate in good faith pursuant to the following process:
  - 3.8.2 *Changes Due to Annexation or Ordinance Enactment.* In the event that a projected annexation or ordinance enactment by Toledo would significantly impact service delivery and accordingly the compensation provided under this Agreement, Toledo will endeavor to provide prior notice to Winlock and the parties will meet in good faith to negotiate appropriate changes in this Agreement. Winlock may also trigger such negotiations if it finds a significant change in circumstance has impacted service delivery.
  - 3.8.3 *Change in State or Federal Law.* The parties understand that changes in state or federal law may also impact the requirements of delivery of police service and its actual cost and either party may initiate negotiation for changes in this Agreement required to address unanticipated and significant burdens created by changes in state or federal law.
  - 3.8.4 *“Actual Cost.”* The guiding principle in the parties’ establishment of the compensation levels in Section 6 and in any renegotiation triggered by this Section is the parties’ intent to set compensation levels using “actual cost.” “Actual cost” is a reasonable approximation of actual costs per officer and support staff and maintenance costs described in Section 6 with neither a profit nor a loss to Winlock. The use of actual cost will be central to the good faith negotiations of the parties.
  - 3.8.5 *Preservation of Legislative Discretion.* In order to preserve the legislative discretion of the Winlock and Toledo City Councils over their respective budgets and policy standards, the dispute resolution clause set forth in Section 12.3 is limited to the
